## BACM Workshop, Office Gets Council's Nod

BACM Development Corporation Limited was granted approval at Monday night's council meeting to enter into details of development agreement for an industrial complex on River Lot 30.

The proposed BACM Maintenance Shop and Office structure is designed to accommodate several divisions of BACM Industries Ltd. Once completed, the price of land and buildings has been estimated at \$400,000.00 and cover a total floor area of 22,000 square feet. Provisions will also be made for future expansion.

River Lots 29 and 30 total about 40 acres of land, lying east of Highway 2 and North of Bellerose Drive, the BACM industrial property will house Standard General offices and workshops as well as provide storage space for heavy construction equipment. This new complex will become headquarters for Standard General, the construction division of BACM, specifically for the northern area of the province.

Of the 40 acres making up this tract of land, lying adjacent to Highway 2 in the north-eastern section of St. Albert, 15 acres will be taken up by the proposed project while the remaining 25 acres will be left open as serviced industrial land, said Mr. N. Bothwell, Alberta Manager of BACM Land Development Division.

"Soon as we complete all details involved in our development agreement with the town," Mr. Bothwell said, "we hope to start construction and be operational sometime in 1973."

Mr. Bothwell explained that his firm was anxious to establish this facility in St. Albert, thus bringing to

this town a light-type of industry which will represent added revenue for the town in the form of taxes and a payroll for a permanent staff of about 50 employees.

When this proposal first came before Committee on September 25, spokesman for BACM Mr. K. Dudman was asked by Councillor Hudson, "when will BACM co-operate with the town of St. Albert?"

Nonplussed, Mr. Dudman stammered something like, "what do you mean?"

Councillor Hudson then went into a tirade, accusing BACM of failing to co-operate with St. Albert while expecting co-operation from council. He hinted that BACM "failed to co-operate" in the landfill site issue when EDCON (a fully-owned subsidiary of BACM) presented a submission at the sanitary landfill site hearing.

These comments by Councillor Hudson brought about objections from other councillors who visibly didn't

John Bourassa of 28 Gresham was a happy 10 year old when he learned he had won the 10-speed bike in the Dairy Queen 1st Anniversary draw made Saturday evening by MLA Ernie Jamison. Max McCann, owner, hands over the bike Sunday morning. Other winners were Antonio Mattia of Edmonton, who won the Corning Ware, and Joe Kavolchuk of Wintburn, who received 50 gallons of gasoline. Max reports a very successful anniversary celebration.

## Citizens Halt Parking By-law

A loud and eloquent outcry was voiced by concerned downtown businessmen Monday night at the regular Council meeting when By-Law 44/72 came up for public hearing.

The proposed by-law, being an amendment to the original parking by-law called for a change from angle parking on Perron, Ste. Anne and St. Michael streets to parallel parking.

Speaking against the by-law were Tom White, co-owner of The Sportsbox, V. Maloney, superintendent of School District No. 3, Ernie Jamison, Editor-Publisher of The Gazette and Gerry Belke, President of the St. Albert and District Chamber of Commerce. Besides the four verbal protests

against the by-law, Council also received letters and petitions from downtown businessmen and businesswomen, registering their opposition to the parallel parking amending by-law, including the Associate Medical Clinic.

All persons and groups represented were united in the view that parallel parking on those three downtown streets would rob shoppers and businesses of valuable parking space while the town is not making provisions to provide alternate parking areas. The four spokesmen, representing the majority of downtown businesses all said in their own way, that Council was premature in amending the parking by-law.

Mr. Jamison, replying to Mayor Gibson's query of why were there not more downtown businessmen present to talk at the hearing, he replied that he felt that the petition representing about 95 per cent of the businessmen would suffice, rather than a massive onslaught on Town Hall. Mr. Jamison then expressed the opinion of the majority that a joint council-downtown businessmen meeting should be held before the by-law be proceeded with.

On motion by Councillor Kambourff, Council agreed unanimously to set a meeting date at which the parking situation in the downtown area be discussed and resolved.

## Marcel Lambert spends most of week-end here

Marcel Lambert PC Member of Parliament for Edmonton West riding, which includes St. Albert, spent a good part of the weekend here. Marcel is seeking re-election to the House of Commons in Ottawa in the October 30th federal election. Friday afternoon he met with workers and office staff at his headquarters on Grandin Mall and was escorted through the mall by Lena Post, meeting business people and shoppers. They were accompanied by Roy Watson, his campaign manager.

In the evening Ernie Jamison, Provincial MLA took Mr. Lambert and Mr. Watson to the opening festivities at the curling rink lounge, where he was introduced to the large crowd by Maurice Hill, president of the Curling Club. Marcel was able to meet with almost everyone present and twice had to go to his car to meet the demand for "Re-elect Lambert" buttons. Mr. Lambert who grew up here is a charter member of the St. Albert Curling Club.

Saturday Marcel was accompanied through the downtown area by Mr. Jamison, meeting old friends and new. Following the main-streeting Mr. Lambert commented on the many new people he met, who had come in the last year or two from all corners of Canada and overseas. "This should be great for the Town," he said.

Sunday afternoon Mr.

Lambert was at the Community Hall for a public Coffee Party from 2 - 5:30. Mr. Watson was again present, and the assistant campaign manager, Mr. John Hill and Mrs. Hill and Carol Appleby of Edmonton West headquarters, Ernie Jamison and Shirley, Mayor Ray Gibbon, Councillor Rene Kimbouroff and his wife DeJores, and Councillor Thordson were present, as

were oldtime friends of Marcel, Neil and Sadie Ross and Chris and Joan Gates.

A number of young people assisted in a variety of ways, and others dropped by to meet the candidate. The arrangements were extremely well handled adding to the success of the afternoon.

Mr. Lambert was back in town Monday and a visitor at Sturgeon General Hospital.

Marcel Lambert meets Ernie Jamison at the St. Albert Conservative headquarters on Grandin Mall, before the Federal Conservative seeking re-election, and the Provincial Conservative MLA took off on a mainstreet campaign tour of the downtown area on Saturday.

## Fire Chief Reveals Losses At \$300,000

A memorandum was received this week from Fred Tetarenko, Fire Chief of the St. Albert Fire Department, in which he points out useful hints to the homeowner in an effort to reduce the incidence of fire.

Mr. Tetarenko reminds residents that cold weather generally goes hand in hand with fire destruction and to avoid this a few simple precautions can reduce causes of fire. Some of the simpler precautions a homeowner can take include draining of gasoline tanks on garden equipment before storing these for the winter. Another suggestion is cleaning out the garage and basement of the summer's accumulation of inflammable materials.

"Just plain common sense," Mr. Tetarenko said, "will often make the difference between making a home or place of business safe from fire or a fire trap."

In his memo, Mr. Tetarenko points out that during the past 12 months, the St.

Albert Fire Department dealt with fires which ultimately caused damage assessed at about \$300,000.00. He points out that a major portion of this sum could have been reduced if proper precautions had been taken. "All we ask you," Mr. Tetarenko said, "is co-operation in stopping these needless fire losses."

Again this year, the local fire department will inspect all homes in St. Albert and the co-operation of homeowners is requested in order that this essential job be done.

Fire Prevention Week this year will be observed from October 8 to 14 during which time everybody is invited to visit the Fire Hall, become better acquainted with local personnel and facilities.

Telephone numbers to call regarding fire prevention information, home inspections or whatever are: 599-1021 anytime. The other number everyone should have listed near their phone is 599-7777 . . . this is the fire call number to be used during emergencies.

## Meet Your Candidate

Last week, we published pictures and short biographies of three federal candidates presently contesting the Edmonton West seat. Although there are four nominees in that constituency, only three availed themselves of The Gazette's offer of this free service. We do, however, expect a release from the fourth Edmonton West candidate soon.

This week, we're featuring pictures and biographies of candidates running in the Pembina Constituency... another area The Gazette covers thoroughly. We hope to have pictures and biographies of all five candidates contesting this seat, namely: Dan Hollands, PC; John Borger, Lib.; Norman Wicheck, SC; Tom Hennessey, NDP and Sam Davidson, Western Canada Party.

In our edition of October 11th we hope to have all the material on hand from the four candidates vying for the Wetaskiwin seat, the northern portion of which lies within The Gazette's circulation area. The four candidates are: Stan Schell-emberger, PC; Al Barnhill, Lib.; Alvin Goetz, SC and Lionel Udenberg, NDP.

## Council Roundup

An application by L & A Hotel Enterprises Ltd., for rezoning part of the proposed site for a \$1.5 million hotel by Leon Krytler north of Ball Avenue and St. Albert Trail failed to get a reading Monday night when Councillor deBrujin made a motion to table the by-law in view of easement clarifications in front of the Gulf Service Station. The motion was carried 5 - 1 with Mayor Gibbon voting against tabling.

A date is to be set when representatives from Zone 8 of the Alberta Tourist Association will meet in St. Albert sometime in October. This request from the association was approved in principle by Council Monday night since St. Albert has been chosen as the meeting

centre for the zone. All this came about when the Mighty Peace Tourist Association zone was divided into three areas. One of those areas include Slave Lake, Athabasca, Barrhead, Westlock and St. Albert and intermediate points. A local representative will be appointed to the Zone 8 board and Larry Hutchings has been mentioned as a likely candidate for this position.

Another proposed hotel development came before Committee September 25. This one, from Lornex Development whose proposal includes the Club Moombo property and is subject to rezoning. At the September 25 Committee meeting, a recommendation was made that staff prepare a zoning by-law after plans for the

proposed hotel complex on the Moombo site were unveiled. At Monday's meeting Council ratified the recommendation which includes rezoning of a portion of Lot 6 to Highway Commercial and whatever portion of Lot 5 is required for parking purposes, be rezoned to Hotel Parking. Mr. W. J. Tiffin and Mrs. D. K. Elliott of Unity Engineering Ltd., made the presentation for Lornex Developments according to arrangements made by the president of the firm Mr. L. Pastuszyk of Edmonton.

Under new business, Councillor Thronson inquired about the three sets of traffic lights ordered months ago and what progress... If any... could staff report. Town Engineer Jan Maandag explained that the town was still waiting for the delivery of the lights and in the meantime, all three sites were being prepared. Councillor Thronson was also informed that the trench running along the St. Albert Trail was for a new AGT cable being installed in the light of the expanding telephone services in St. Albert. His third and final query was for a date of completion for the new reservoir. Councillor Thronson was informed that the new facility would be completed this year.

Councillor Kambourff was informed that garbage was collected on a weekly basis from behind Grandin Shoppers Park. He commented that it sure didn't look like it because it always looked such a mess. Town engineer Maandag explained that the situation could be improved if that portion was paved.

Councillor Lukay announced that Mr. Stagg, EMO co-ordinator in St. Albert was presently making plans to launch a wide-open town emergency situation Friday October 13 and asked for the co-operation of Council. He was assured by Mayor Gibbon that the town and council will assist in every way possible to make the emergency event a meaningful exercise.

Councillor deBrujin proposed that Neighborhood 10... if and when Council decided to start development... to consider the name of Akinsdale in memory of Lorne Akins, who passed away last year after a long and distinguished career here in St. Albert.

'Pierre' might be the shortest of the three shown above but where he lacks in height he makes it up in being a champion. Flanked by his owner John Fegan (left) of 13 Grenfell Avenue, and judge of the Edmonton Kennel Club Clarence Zimmerman, the eight year old miniature poodle called Pierre again won the first place trophy in the dog obedience class. Pierre was born in St. Albert in 1964 from registered stock and over the years has won over 60 trophies, plaques, prizes and ribbons for excellence in every category. On Sunday, September 21, Pierre won the top prize out of a group entry of 55 contenders at the Kinsmen Field House, site of the annual dog show.

## No. 3 Board

Regular board meetings of No. 3 School District will now be held on the second and fourth Wednesday of the month instead of Thursdays.

Secretary-Treasurer Chris McDonnell said that both, Mr. Fraser and Mr. Gannon will have their respective courses completed in December and Board meeting dates may revert to Thursday in the new year.

The Gazette reporter asked the newly-hired business administrator, Mr. Edward Baldwin if he would

## BACM

Continued from page 1 share his opinion. Councillor Hudson nevertheless, made a motion to table the proposal, which was defeated 5 - 2. Hudson and Lukay casting the votes for tabling. At the regular meeting Monday, when council ratified committee recommendations to accept the BACM proposal in principle and prepare a development agreement, the vote on this recommendation came out 5 - 1, with Councillor Hudson casting the negative vote.

## Boards, Town Hold Friendly Pow-Wow

Last Thursday evening The Gazette was given special permission to attend a closed three-way meeting of St. Albert's governing bodies... Town Council, Protestant School and Catholic School Boards. It was a very meaningful experience... one which eloquently illustrated that there is harmony in this community.

Although The Gazette was present as an observer and not a reporting agency, it's fair game to say that many important and mutual topics were discussed, such as land dedication, taxes, safety, joint use and so on.

Representing School District No. 3 were: Dave Fraser, Sylvia Walsh, Don LaBelle, Al Gannon, E. Hawrish, Edward Baldwin and Chris McDonnell.

From No. 6 School Board were: Jim Wiltshire, C. Schneider, Dr. W. Cuts, Bill Penrose, Don Munro, Elmer

agree to the publication of his biography and picture... he declined. So, we have no alternative but to simply say that Mr. Baldwin was hired effective August 1st and has been busy getting acquainted with the No. 3 system, all the while, assisting both Vince Maloney, the superintendent and Chris McDonnell, the secretary-treasurer.

"As business administrator and right-hand-man in many administrative matters," Mr. Baldwin said, "there's lots to do."

The major topic on the agenda was the acquisition of a school site. Although a 20-acre joint elementary and junior high plot of land in the BACM area had previously been negotiated for, the purchase price for this land was the point of issue.

Present to negotiate on behalf of BACM were Mr. N. Bothwell and Mr. Don Price. In view of the sensitive and private nature of these negotiations, Chairman Dave Fraser declared that portion of the meeting in 'Camera' and so the land-price discussions were held behind closed doors.

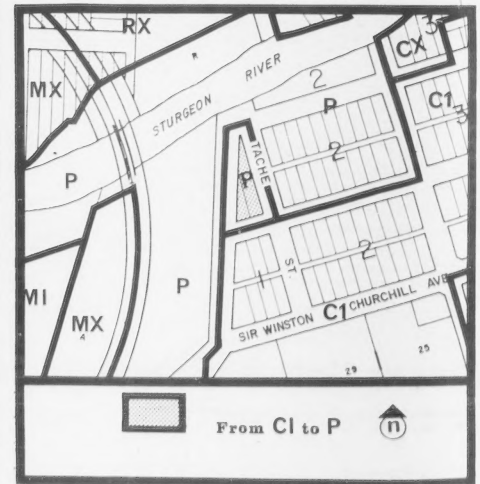

Gish and George Hargraves. Hosting the three-pronged meeting in Town Hall were: Deputy-mayor Rod Thronson who chaired the meeting, accompanied by J. J. Bakker, Frank Lukay, Bob Hudson, and Russ Bowen and his recording secretary.

## Lady Lions get new service for Citizens

By Joyce Meurin

The request for volunteers to provide transportation for Senior Citizens of St. Albert has had favorable results, and the Lady Lions now have a sufficient number of people to get this much needed service off the ground.

Any older person needing a ride to and from the Senior Citizen Club meetings at the Community Hall, should phone Mrs. Wellar at 599-6354, or Cindy Riley at 599-8379, or Joyce Meurin at 453-2042. We will also do our best to fill other requests for instance, a trip to the doctor, or to the hospital, or even to the shopping centre, for someone unable to walk the distance.

Due to a limited number of volunteers, we must emphasize that, this service must be confined to Senior

Citizens. We would still welcome more volunteers. If you can help, please call Cindy or Joyce.

## 'Superstar' here prior to staging Saskatchewan shows

The many people who were sorry they missed the presentation of Jesus Christ, Superstar by the Pitch and Spice singers and musicians last spring, will be happy to know that a performance will be staged October 13 in the St. Albert Roman Catholic Church.

Director, Father Ubald Duchesneau, has 130 newcomers to his choir this year, bringing them to a total of 260, or double of last year. He has assistance from two local women, Adrienne Telford and Fran Schuchard, and John Hermans, noted St. Albert singer and musician, was an invaluable ally originally. Father Duchesneau strives for excellence of performance with his choir, and takes very few excuses for missed practices, in his handling of this very large

group of young people.

The people of North Battleford and Prince Albert, Saskatchewan were happy to learn that "Superstar" could be brought in their cities, and three performances have been arranged. Two in Prince Albert on October 27 and 28, and one in North Battleford on the 29th. A Youth Mass will be presented by the Pitch and Spice on the Sunday in Prince Albert as well.

In St. Albert the new Youth Mass will be led by the Spice choir at the 9:30 mass on October 15th and on October 22nd by Pitch, the senior choir.

Advance tickets for "Jesus Christ Superstar" can be picked up at Sweetheart Jewellery on Grandin Mall or from any choir member for \$1.50. They will be available at the door on October 13th at \$2.00.

## WI. meeting hears speaker on Charette

Twenty members and one guest were in attendance at the first fall meeting of St. Albert chapter of the Women's Institute on September 26. Pat Gidding was on hand to speak to the meeting on the Charette, and informed members that it will be held October 10 to the 13th, at Sir George Simpson School for anyone to air their beefs and bouquets about St. Albert. She had an information sheet describing some of the purposes of the Charette, including 'organizing the churches' and listing some people taking part. Mrs. Gidding also stated that the Town might have to spend up to \$1,000 in support of the Charette.

The WI will not be officially represented at the Charette and members will attend if they wish as individuals. The institute has a display at the information centre on the Grandin Mall.

Agnes Richardson volunteered to be assistant con-

venor this year, under convenor Sharon Taylor.

Members voted to use a recent donation of \$25 to purchase four new pairs of crutches. It was decided that a small damage deposit will be required on crutches loaned out, as some have been returned in poor shape. The WI makes available to residents, wheel chairs as well and other sick room equipment on loan at no charge. Members Anne Marie Venne at 599-7962, and Janice Cunningham at 599-7004 look after this service.

The WI will hold a Thanksgiving Bake Sale on Saturday morning, October 7 at Grandin Shoppers Mall. Plans are also being made for the Institute's 26th Birthday Party to be held at the Purple Dude on October 24th.

While coffee and lunch were being served, members answered roll call with humorous anecdotes on incidents that happened during the summer months.

Chester Wasykiewicz, a member of the Bruin Inn Cycle Club participated in the Charette display on Grandin Shoppers Mall during the week. Chester is seen testing both his skill and stamina on 'the treadmill'.

A neighborhood shower was given for her at Ev Grant's home with Betty

Pagette and Jean Malone as co-hostesses. The special entertainment was by about 20 Braeside friends, who had known Sandra over most of her 14 years in St. Albert.

A group of her friends at the University of Alberta also showered Sandra, who was a student in Recreation

## Local Troop Hosts Scout Exposition

A Boy Scouts of Canada exposition is being held in the St. Albert High School tonight October 4th at 8 p.m. The event is open to all interested members of the general public. Its purpose is to explain the aims and objectives of the Boy Scout program.

The exposition will include color movies, a slide presentation, and displays describing Scouting activities.

Alfred Garvin, district commissioner here in St. Albert said this is a first for this town to host such an important event and hopes many local citizens will take advantage of this opportunity of learning what scouting is all about.

"Representatives from the Regional Service and Landing Trail District teams," Mr. Garvin said, "will be available after the presentation to answer any questions."

Free coffee and donuts will be served at the conclusion of the program.

A big city executive was visiting a rancher friend in Arizona. A big rattlesnake slithered in front of them. "Watch out," yelled the rancher. "He'll strike."

"Good Lord," called the executive, "are they unionized, too?"

## Bruin Inn Cyclists Hold 'Cyclo Cross'

On Sunday, the St. Albert Bruin Inn Cycling Club held its second annual Cyclo-Cross - a cross country race on bicycles. The event was held on a 3/4 mile course on the side of Mission Hill and although only 10 riders entered, all four Edmonton area clubs were represented.

The course was a gruelling one with a long climb to the top of the hill and a very tricky descent as well as some relatively flat trails. Right from the start at the top of the hill, Chester Wasylkiewicz of St. Albert forged into the lead, closely followed by Karl Schneider,

also of the Bruins. Favorite, John Bryan of George's Cycle was several hundred yards down at this stage.

Halfway round lap one, Schneider crashed on wet grass and Peter McCaffery (St. Albert) moved into second place and overtook the leader by the middle of lap two.

John Bryan was now working his way up through the other riders and by the end of lap four he was lying second with McCaffery 200 yards ahead.

At the end of the seventh lap, Bryan made his move and took the lead. By lap nine, he was 30 seconds ahead of the St. Albert rider and stayed ahead to win the race.

All riders agreed it had been a great race and they were well pleased with their prizes - donated by Georges Cycle. In fact most said they would like to see more similar events towards the close of the season.

This Sunday, St. Albert Bruin Inn Cycle Club is promoting a 20-mile road race starting at the weigh scale at 11 a.m. and using the Starkey mine circuit. All are invited to ride.

If the weather is bad, the club will meet at Coronation Pool for a social swim.

## Arena Opens October 6

On Friday, October 6 at 4 p.m. the St. Albert and District Arena will open for another season of activities. There has been much welding of hammers, saws, paint brushes and mops as finishing touches have been added before "the" day.

Moving players boxes across the ice has made room for some 70 new seats. Concession managers, Raymonde Brunelle is ready to serve you, and would like to try out the newly installed popcorn machine.

Arena enquiries should be directed to the Parks and Recreation Department at the Town Hall, phone 599-6601.

## Junior practices well attended

The St. Albert Junior hockey practices have been very well attended with more than 40 boys out to the first two sessions. Many of the hopefuls played in the mid-grade and juvenile league in St. Albert last year and looked good.

Coach Rick La Lecheur will have a tough time cutting the group to a working squad, but if last Monday's practice is any indication of things to come, some of the boys may bow out before they want to. La Lecheur held an excellent practice which featured all phases especially skating. There was also the odd stop and start drill thrown in.

The next practice goes tonight at the U of A rink starting at 8:45 p.m. while the Gardens will be the site for Thursday's session starting at 10 p.m. Practices in the St. Albert and District Arena will get underway early next week.

## Kin set schedule for grading

At last night's meeting of the St. Albert Kinsmen Minor Hockey Committee the following schedule was set up for grading the players:

MIDGETS - Tuesday, Oct. 10th, 7:30 - 8:30 p.m.  
BANTAMS - Wednesday, October 11th, 6:30 - 8 p.m.  
PEEWEEES - Thursday, October 12, 6:30 - 10 p.m.  
MITES - Friday, October 13th, 6:30 - 9 p.m.

All boys in these age groups are requested to appear at the Arena in full hockey equipment, and players will be graded on the ice.

Kinsman Tom White reports a total of 790 boys registered so far in the Minor Hockey program, with more to come in. Registrations are broken down as follows: -- 76 Midgets; 146 Bantams; 190 Peepees; 205 Mites; 164 Shavers and Juveniles, not completed, 9.

This is the climax of a very successful year for the best team of the Atom Soccer League. We see here Terry Nippy, captain of the Lions accepting the Atom Challenge Cup from Local MLA Ernie Jamison.

# Playoffs continue in Soccer Leagues

Soccer champions, the Lions, won the Atom Challenge Cup after defeating the Tigers in a recent final contest 5 - 1. Shown above far left is coach Herman Nipp, proud of his winners.

During the past two or three weekends the Handicap Challenge Cup finals have been underway. On Saturday, September 23 bantams and mites braved the 29 degree temperature to play their cup final games. In the bantam final the Pirates outscored the Lancers 5 - 1 with Dana Dycknetting three of the five Pirate goals. Later the Rangers and Rov-

ers played for the Mite Challenge Cup with the Rovers winning 3 - 0.

Last Saturday the Lions defeated the Tigers 5 - 1 with goals from Randy Underwood, Terry Nipp and Paul Eager to take the Atom Challenge Cup.

On Saturday, October 7 the play-off for the Peeewe Challenge Cup between the Flyers and Swifts kicks off at 11 a.m. at the Sir George Simpson field.

Also on Saturday the League Championship Trophies

will be presented to the top team in each of the local leagues.

Winners of these trophies and winning coaches are: MITES - Rangers (Don Munro and Lou Stanley).

ATOMS - Panthers (Ernie Speake and Art Cunningham) PEEWEES - Eagles (Tom White and Jim Hall).

BANTAMS -- Chargers (Brian Kane).

As this is the first year

we have had enough players to form a bantam league the Hercules Association have provided a new trophy and with the consent of Mr. Roy Van Riper have named it the Calvin Van Riper Memorial Trophy. The team on which Calvin played, until his untimely death in a highway accident earlier this year, is also the team which will be presented with the trophy.

Coming out of the soccer season second best is not that bad. These are the Tigers of the Atom League who went down to defeat at the hands of their arch-rivals the Lions. At rear left is Ed Schrader and Jim Drysdale, both coaches.

## Ball Season Ends

During the latter part of its function scheduled for September, final championship games were played by the St. Albert Little Canadian Baseball League.

Now that a very active baseball season has come to an end to make way for winter sports, officials of the Ball League announced this week that trophies will be awarded to the champs in each local division at a pub-

## TID BIT TOPICS

Because of an ever-increasing demand for the training of agricultural mechanics, Lethbridge Community College and Olds College offer this year the first six month on-the-job training program, starting October 16. Next year, however, the course will only be offered at Olds. Farm Implement dealers and wholesalers are participating in this program in an effort to bring a maximum number of young people into the industry.

A man pointing his gun at a jetliner pilot: "I want you to take me to San Francisco."

"But we are flying to San Francisco, Sir," said the pilot.

"I know," said the man, "but I want to make sure to reach San Francisco before somebody else shows up."

The new bride proudly told a friend that she'd decorated her living room entirely with empty orange crates.

"Sounds very interesting," said the friend. "What have you done with the rest of the apartment?"

"Nothing, so far," the bride replied. "The other rooms are full of oranges."

The man who can smile when things are going wrong probably just thought of someone he can blame it on.

According to The Alberta Municipal Counsellor, St. Albert has a population of 12,537, making it the biggest town in Alberta. St. Albert towers in population over such Alberta cities as Camrose, Drumheller, Wetaskiwin and the Alberta portion of Lloydminster.

A sad note underscores the growing popularity of the youth symbol - the bicycle - and that's the parallel increase in death and injuries associated with this change in traffic stream. By the end of June, Alberta has counted eight cyclist deaths in comparison to three the year before, during the same interval. Looking at the overall picture

of death on the highways and byways at the end of June 1971 and 1972 we find a decrease in driver fatalities from 82 in 1971 down to 73 for the same period in 1972. Passengers death statistics dropped by two during the same period and so have fatalities in snowmobiles. Increases appear under the heading of pedestrians, 20 to 24; motorcyclists 3 in 1971 and 6 in 1972. The City of Calgary has shown a much safer driving record so far this year than has Edmonton and this has been partly attributed by the Alberta Safety Council to better promotion through a pamphlet "Share The Road" plus a system of bike routes

Fire Prevention Week this year will be observed from October 8 to 14. Prior to this annual observance week, fire departments carry out home inspections in their respective communities in an effort to reduce fire hazards. Above we see left to right: Fireman Frank Ricard of 54 Mission Ave., waiting to enter another residence in St. Albert where a thorough inspection will take place. At the door welcoming the firemen is Mrs. Phyllis Cairns of 18 Sorrel Crescent, listening to St. Albert Fire Chief Fred Tetarenko explain what home inspections are all about. Watching the whole thing are three Cairns young ladies, Gail 15, Cindy 14 and Deanne 4.

MR. & MRS. A. HENRY

## Henry - Olson Wedding

St. Albert Evangelical Lutheran Church was the setting of an attractive fall wedding when Carol Olson, youngest daughter of Reverend and Mrs. R. O. Olson of St. Albert, became the bride of Alan Henry, son of Mr. and Mrs. M. Henry of Camrose, Alberta.

The Reverend Curtis Satre of Saskatoon, Saskatchewan performed the ceremony. Wedding music was played by Mrs. Lynn Roper, and soloist was Mrs. Clarice Holfeld, sister of the bride.

The bride, given in marriage by her father, was radiant in a floor length coat of white polyester, featuring a hood and train which she wore over a matching sleeveless floor length gown styled with a high waistline. In her hair she wore a coronet of orange blossoms worn by her grandmother, Mrs. C. Magnuson, at her wedding 59 years ago. She carried a cascade bouquet of white

roses and white small carnations.

Bridal attendants were the bride's two sisters, Mrs. Vale Hunter and Mrs. Sharon Andall; also Mrs. Barbara Grahm and Miss Bernice Kary. They wore identical floor length gowns in hot pink, green and yellow. Each carried a circlet bouquet of small hot pink carnations encircled by green fern. The flower girl was Teresa Hunter, niece of the bride.

Attending the groom were Don Glidden, John Johnston, and brothers Bob and Ted Henry.

Following the ceremony a formal reception was enjoyed by 140 guests at the Purple Dede. The bride's mother received in a purple long-sleeved dress, while the mother of the groom chose a pink coat dress. Both of their ensembles were complimented with corsages of small carnations.

Following a formal reception, the bride's parents held Open House at their home,

40 Glenmore Crescent, St. Albert.

Mr. Luther Olson of Camrose, Alberta, uncle of the bride, acted as master of ceremonies. The toast to the bride was given by Mr. Rudy Magnuson of Camrose, Alberta, also an uncle of the bride. To this toast the groom graciously replied. Special guests included the bride's grandparents, Mr. and Mrs. Clarence Magnuson of Camrose. Other guests were from Vancouver, Surrey, Prince George, Saskatoon, Vermilion, Calgary, Camrose, Grande Prairie, Ponoka, Fort Saskatchewan and Rainbow Lake.

For a wedding trip to the mountains the bride wore a burnt orange pant outfit. The happy couple are making their home in Edmonton.

St. Albert's "Mrs. Soccer," Kay Hopkins is in Sturgeon General Hospital and reported recovering nicely from an operation last Friday.

Because of the Thanksgiving Day holiday, the Ladies Auxiliary to the Sturgeon General Hospital will meet on the third Monday of October, on the 16th in the Cafeteria at the hospital.

The swelling pride every Canadian felt in their heart last Thursday, when Team Canada took the eight-game hockey series with Russia rippled across the nation. Even here in St. Albert the bursting sense of pride was felt in every sector of town, including Robert Rundle Elementary School. The grade three classrooms of Hilda McFetridge and Betty Hulseworth, working in adjoining rooms in their music and science workshops without prompting stood at attention... all 60 of them... and burst into a chorus of O'Canada. Trust uninhibited youngsters to spontaneously react in exactly the way we all felt.

John and Lynn Johnson moved from Sunset Blvd. to Grandin Village on Thursday. "We thought we were getting away from our neighbors," said Lynn. However they found two former neighbors already settled in at the Village: Dave and Corrine Suttie and Jim and Tina Thurston. When Lynn mentioned that Calgary Power was somewhat slow getting her phone connected, we suggested she try AGT.

Father Ron Poirier and his assistants have planned a bigger and more attractive Bingo series for Monday evenings in the Parish Hall. There will be more games per night, up to about 35, more cards and a Bonanza Jackpot every single Monday night beginning on October 16th. Play gets underway at 7:45, and proceeds are earmarked for one of Ron's favorite projects, Camp La-

combe on Lac Ste. Anne.

Beginning this week readers of the "Newcomers" column will notice that those people who come to St. Albert from places outside Alberta have their former address included with their name and district. Such as the Daniel Burke family from Backrock, County Dublin, Ireland; the Terrance Peplin family from Australia; the Goodman family from Agincourt, Ontario; the Embellons from Balharrie, Ont. the Miltons from Victoria; the Martins from Kelowna, B.C., and the Chys family from Saskatoon, Sask. Welcome Wagon gals, Bette Smithson, Vivian Schlinkinger, and Yvonne Webster have called on the newcomers named in the column, and Hostess June Leggett reports over 600 to date in 1972.

Registration for a babysitter safety course will be taken October 6, sponsored by the St. Albert Chapter of the Alberta Association of Registered Nurses. Girls and boys 12 years or over are eligible at a fee of \$1.40 per student paid at time of registration. The course will be held each Thursday evening from 6:30 - 7 p.m. at the St. Albert Evangelical Lutheran Church up to and including November 23.

The week began early for Wally Swenarchuk of Sonora Drive, who left at 6 a.m. Monday for Red Deer, where he will attend a week long Credit Union seminar, representing the Edmonton Police Savings and Credit Union.

The Jackpot at the Legion Bingo is presently sitting at \$70 reports Reg Bremner, who says the bingo nights at Legion Hall are providing a great night out for townsfolk on the first and third Mondays each month.

Saturday night socials at the Royal Canadian Legion Branch 271, St. Albert, are

now in full swing, for the fall and winter seasons. Saturday, October 7th will feature Tommy Ramsay at the Electronic Organ. Members and their guests are invited to an evening of fun and dancing.

The Arts and Crafts display of items selected by Mr. Les Graf, head of the Cultural Development Branch was set up in the St. Albert Library on Monday evening. People who missed the Crafts Fair can see some of the best items in the main foyer and the meeting room until October 6.

Learning by doing was the name of this event. It's actually an art workshop and was held last week in Sir George Simpson School when 34 art teachers from 13 rural school districts took in the three-day event. Shown busy working on a project are Mrs. A. Melnyk of Two Hills (front left) watching Alva B. McGarh, art consultant with Canada Crayon Co. Ltd., mixing paints for a particular project. At rear viewing the experiment are Lea Matheson, of School District No. 6 system while at right is Mrs. Muriel Martin, assistant District 6 Superintendent.

## Moscow Impresses Local Hockey Fan

Mr. Lorne Brothen of 19 Grosvenor Blvd., St. Albert brought back many beautiful memories of Moscow, including souvenirs and a desire to go back for another holiday trip to the USSR.

Lorne was one of the 3,000 Canadian hockey fans who witnessed Team Canada defeat the Russian team last week in Moscow. He boarded an Air Canada charter flight out of Edmonton, joining 198 other Western Canadians who cheered Team Canada to victory. Mr. Brothen, an employee of Imperial Oil Limited was the only St. Albert citizen to make the trip.

During his 10-day holiday in Russia Mr. Brothen said the Intourist Service of that country is unreal. For example, he pointed out that the Canada-Russia hockey series lured about 3,000 Canadians to Moscow. "We all arrived about the same day," he said, "and the Russians had enough

buses on the line to handle the tremendous volume of tourists without a shuttle service."

Mr. Brothen also said that the Intourist Service had a full schedule of things to do for everybody, every day. "We started at 7 o'clock in the morning and enjoyed tours all day." We visited hundreds of museums, churches, parks and the such to our hearts content," he said.

In commenting on the Russian people he met, Mr.

Brothen says they're all very friendly, they try hard to speak English and make you feel welcome. "It's really not quite like we have been led to believe," he concluded.

The flight took about 11 hours each way, the flight Mr. Brothen was on was composed of hockey fans from Fort Saskatchewan, Edmonton, various parts of B.C., residents of Saskatchewan and Manitoba. They left September 19 and returned Saturday, September 30th.

At their general meeting and social held last Thursday, the Senior Citizens Club elected Mrs. Lily Szuba as their new president. Retiring president Freda Wellar remains on the executive as vice-president. Mrs. Clara Morin was elected as secretary-treasurer.

About 30 members attended the card party and meeting and a special guest was Cldy Ryley of the Lady Lions. Mrs. Ryley told the meeting that transportation is now available and can be arranged by telephoning Mrs. Freda Wellar at 599-6354.

Two couples will attend

the forthcoming Charter Night of the St. Albert Breakfast Lions Club on October 20th as guests of the Lions. Chosen by draw at the meeting were Mr. and Mrs. Philip Poliloway and Mr. and Mrs. B. Morin.

Date for the next program of cards and social at the St. Albert Community Hall for Senior Citizens is Thursday, October 12, and the new president, Lily Szuba extends a warm invitation to all older folk to attend.

Mrs. Szuba welcomed two new members at the meeting: Mr. Moe Bolsvert of St. Albert and Mr. Chadwick of Copplam, who will be here for several months.

Mrs. Freda Wellar, retiring president of the Senior Citizens Club, receives a lovely bouquet of flowers

from the club's most loyal and active member, 92 year old Mary Vantagen. After serving for three years as president, Mrs. Wellar retired at the club's general meeting last Thursday. Due to health reasons, she regrettably informed the meeting that her activities will be somewhat restricted, but that she will maintain ties with the group. In making the presentation, Mrs. Vantagen, on behalf of all the members thanked Mrs. Wellar for her leadership and her compassion for the senior citizens of the community.

## Meeting to explore program Safety

A public meeting, which will hopefully result in the formation of a volunteer committee to plan and co-ordinate a safety program in St. Albert, is slated for Thursday, October 5th at 8 p.m. in the Town Hall. All interested citizens are invited to attend.

The format of the informal meeting, held under the auspices of the Preventive Social Services Board, is designed to encourage a free exchange of ideas and a sharing of common concerns. Resource people are Dr. Jim Howell, medical officer of health, Sturgeon Health Unit, and a representative from the Alberta Safety Council.

Does St. Albert need a safety program? A number of citizens have expressed a concern over the increasing number of accidents which are occurring in our area. The community was shocked by the recent tragic fatal accidents and many potentially dangerous situations exist.

Representatives of service clubs, social groups and youth and church organizations as well as the general public are asked to give this matter their serious consideration. It is hoped some citizens will feel able to offer their services to

act on a committee to explore the needs and resources of our community, and subsequently design a program to assist and support the various programs already in existence; cope with

the urgent needs and educate and lobby toward safety in public and in the home.

Safety is everyone's business... Please come and be heard!

The weather is pretty grim, but it isn't the first time around for September in St. Albert. Rose Perron who celebrated her 31st Wedding Anniversary last Saturday tells us there was a foot of snow on the ground on her wedding day.

President Edna Bendera presents trophies to winning golfers Bernice Cook, left (2nd Championship flight), Irma Harvie, 1st in 2nd flight; Millie McDonald, 2nd in 2nd flight and Tena Bannerman, winner in Championship flight. Presentations were made at the Sturgeon Valley Golf and Country Club clubhouse at last Tuesday's meeting of the Ladies Club.

Stevie Donovan, left, 1st in Tuesday's Pin Round, Bernice Cook, 2nd; Louise Hansen, 2nd in the Saturday Pin Round and Kay Stadnyk, 1st, received their pins at the September 26th meeting of the Ladies Golf Club.

## Local girl feted prior to wedding

Vicki Browne, daughter of Derek and Dorothy Browne of Belmont Drive, has been widely entertained prior to her forthcoming marriage to Bob Anderson on Friday.

Mrs. Betty Hainsworth and her daughter Cathy, who will be a bridesmaid, hosted a miscellaneous shower attended by many of Vicki's school and university friends. Vicki is working for her degree in occupational therapy. Mrs. Browne and the groom's mother, Mrs. Millie Anderson were also present.

Friends of Mrs. Browne's Beta Sigma Phi chapter held a shower at the home of Mrs. Sue Hooper on Strathearn Drive, co-hosted by Mrs. Elsie MacDonald. Bridesmaids Virginia and Beverly Browne and Cathy Hainsworth also attended this pleasant evening shower on Sept. 27.

A kitchen and pantry shower was given for Vicki the following evening by a long-time friend of her mother, Mrs. Wilma Stevenson at her home on 128 St. in Edmonton. The groom's grandmother, Mrs. Nan Pengelly, his aunt, Miss Ho-

setta Anderson, the bride's grandmother, Mrs. Lex (Dryden) Anderson, the bride's aunts, Mrs. Bobbie Reid and Mrs. Shirley Smith and the mothers of the bride and groom-to-be were special guests.

On Friday evening the groom's sister, Mrs. Wendy Coulson, entertained at a shower in the home of Millie Anderson, when the guests included many friends and relatives of Bob.

A Trousseau Tea was held Sunday at the bride's home for about 65 friends. Ser-

vers were Nancy Farquhar, cousin of the bride, Kerry Anderson, Wendy Coulson and Anne Calveril, a friend of Vicki at the university. The bridesmaids showed the gifts and trousseau, and the arrangements were by Glenis Bonnan, Wilma Stevenson and Beta Sigma Phi sisters of Mrs. Browne.

Doctor: "I must tell you that your cheque came back."

Patient: "Good. So did my arthritis."

# Youville Auxiliary welcome help

AN AUXILIARY REPORT  
By Irene Cherkas

Here we are again - the ladies of the Youville Auxiliary.

We have begun another year of activity, doing things that may bring a little happiness into the lives of our patients of the Youville Home.

We hold our meetings every second Tuesday of the month, except July and August. During August, we brought 60 patients to Lac Ste. Anne enjoying the hospitality of the Sisters and of their summer home. We were driven out by two kind bus drivers who volunteered the use of their buses. We

had a most enjoyable day, playing games, singing, eating and just plain browsing and strolling about. We feel the patients enjoyed this outing.

We are now preparing for our only money-making project - "Our Bazaar." We are appealing to the public to save your Nabob and Blue Ribbon coupons. If you wish to donate any of these coupons to us, kindly phone me at 599-6963. With monies raised from our annual bazaar, we have purchased many things for our patients: "full length mirrors in all rooms; two exercise bicycles; \*shuffleboard; \*lawn chairs; two large lawn can-

opy swings; \*two television sets; \*records; \*games and cards. Our project this year is to place large comfy chairs in the rooms, of which we have already purchased six.

We hold monthly bingos, weekly card parties and maintain a full-time hair-dressing service which we completely furnished. Patients are always taken for an annual picnic and each year we tour them around Edmonton and St. Albert to take in the sights and lights of the Christmas season.

So you can see we are trying very hard to bring a little comfort to our patients. And yet, this is all

material happiness. What we need are more members or just volunteers to help us with visiting and just plain talking to our people, helping them out with the little things they are incapable of doing for themselves like writing notes or letters for them, taking them out for a daily stroll, just the little things we all take for granted when we are younger and capable. So if anyone has any spare time at all, we would just love to hear from you and we would be more than thrilled to have you help us out in this small phase of our work. Call me at 599-6963 and let me know if you're available.

As stated above our annual bazaar is quickly approaching, so please look forward for it. It will be held October 29 from 2 till 5 p.m. at the Youville Home. We are again this year having our Money Doll raffle. When you are approached kindly buy a ticket. We will be selling tickets on the mall at a later date. Hope to see you at our tea and bazaar, but most of all would love to hear from all those people who could help us out in our endeavours.

Dorcas Gordon can now take her position behind the pulpit to preach the Gospel, after being licensed by the Presbyterian Church. Her husband, Noel at left, minister of Braeside Presbyterian Church assisted at the Service of Licensing held there on September 26.

## Presbyterian Church licences local woman to preach the Gospel

The Presbytery of Edmonton of the Presbyterian Church has licensed the first woman to preach the gospel

in its 60 year plus history. The Service of Licensing for Dorcas Gordon was held in Braeside Presbyterian Church on Tuesday, September 26. The Service was conducted by the Moderator of Presbytery, the Rev. Clive Simpson of Killam, assisted by the minister of Braeside Church, the Rev. Noel Gordon. The Rev. Dr. George Hadjiantonlou preached the sermon and the Rev. Dr. Jesse Bigelow addressed Mrs. Gordon who was presented by the Clerk of Presbytery, Mrs. Darlene Springstein.

Mrs. Gordon became a candidate for licensing in the spring following her graduation from Knox College, Toronto with the degree of Master of Divinity. She successfully completed her trials for licence in June at which time she was approved by the Presbytery to preach the gospel. During the Service of Licensing she was commissioned to the ministry of proclaiming the message of Jesus Christ.

Usually the Service of Licensing is a preliminary

stage to Ordination and full time Christian ministry through the Church. At present, however, Dorcas is not planning to be ordained but is continuing her studies at Newman Theological College toward the Master of Theology Degree. She is 25 years old.

## Are you thankful?

Start a list sometime of all you can be grateful for... and you'll be amazed at how many reasons you have to give thanks.

At our Thanksgiving Service, you'll hear many people tell the things they're grateful for: healings, needs supplied, human relationships restored and, most important, a greater understanding of God. You'll also hear a Bible Lesson on Thanksgiving.

Won't you come? You'll leave feeling more grateful than ever.

## Strawsons mark Diamond Wedding

By Sadie Allen

Flowers received from friends and relatives in England, Germany, Victoria, Vancouver and Fort Erie decorated the Silver Threads Hall in Victoria, B.C. for the Diamond Wedding anniversary of Mr. and Mrs. Walter Strawson.

On Sunday, Sept. 24 congratulatory telegrams were read from the Queen, Prime Minister Trudeau, Mr. John Diefenbaker, Premier Lougheed, Premier Barrett, Mr. Strom, Lieut. Governor Grant MacEwan, the Mayor of Victoria and several other dignitaries. A telegram from friends of the Bon Accord district was also read. The Silver Threads band played while tea was being served and for the dance that followed.

Attending from this area

were Amy and John Johnson of St. Albert, Joyce and Gerald St. Jean, Legal; Irwin, Mae and Donald Strawson, Arthur, Alice, Terry, Faye and Lyle Strawson of Bon Accord; Herman, Amy and Penny Lynn Miller of Carstairs; Mr. Everitt McEachern, Barhead and Mrs. Mae Hewitt from Edmonton.

A family dinner was held on Sunday evening at the Strathcona Hotel, Victoria. Previous to this, a tree had been planted at Sack's Point honoring Mr. and Mrs. Strawson.

Since the voting age has been lowered to eighteen, we may be in for some problems. The next Prime Minister of Canada could have three major problems: Unemployment, inflation and age!

# Lamoureux Community Marks 100th Anniversary

His Grace Archbishop Jordan officiated at a solemn high mass last Sunday, commemorating the 100th anniversary of the Lamoureux community. Assisting His Grace at the mass, cele-

brated in the Our Lady of Lourdes Roman Catholic Church at Lamoureux were reverend fathers Carl Raab and Richard Theroux. Immediately following church services, the entire

congregation of about 300 parishioners witnessed the dedication and blessing of a cairn, located in the Lamoureux church cemetery, erected in honor of the founders of the community.

Tea was served to the many guests in the community hall where hundreds of descendants of the original families gathered with members of the clergy and representatives of the provincial government.

Lamoureux, a tiny community snuggled along the banks of the North Saskatchewan River, across from Fort Saskatchewan Town, saw its first white settlers over 100 years ago. According to reliable records, lodged in the Oblate Archives, two Lamoureux brothers, Joseph and Francois arrived in the area in the early 1860's.

According to the records,

the two brothers built a log shack along the banks of the North Saskatchewan and spent their initial years in the area prospecting for gold, hunting and working for the missionaries and the R.N.W.M.P. It was in the early 1870's when the two brothers first registered for newly surveyed homesteads. They were subsequently joined by other settlers and soon a sizeable community was in existence, dominated by a log church. As time slipped by and the community grew, mail services requested a postal address for the citizens and in view of its two first homesteaders, the post office was called Lamour-

oux. Last Sunday many direct descendants of the original settlers were present at the 100th anniversary celebration. There were second, third, fourth and fifth generation relatives of the founders of the community, such as Lamoureux, Paradis, Boisjoli, Belair and many others.

Although the community of Lamoureux lies quietly along the North Saskatchewan River, in its snug solitude, it has a rich past to draw from and is home to a brave race of pioneers who indeed played an active part in the development of the West.

Immediately following a solemn high mass celebrated by Archbishop Jordan of Edmonton last Sunday at Our Lady of Lourdes Church in Lamoureux, over 300 pioneers and their descendants are shown above leaving the church to take part in the blessing of the cairn to the Lamoureux pioneers.

## Alcomdale man weds Maritimes bride

Reverend James Nicholas of Barrhead conducted the wedding service uniting Beverly Dawn DeMerchant, daughter of Mr. and Mrs. Nehemia of Bath, New Brunswick, and Allen Bruce Arlow, son of Mr. and Mrs. John Arlow of Alcomdale. The ceremony was held in Independence United Church in Alcomdale at 1:30 p.m. September 8. Wedding music was by Mrs. Ruth Fulton at the organ.

The bride was beautiful in a floor length gown of pale blue crepe de chene, worn with a shoulder length veil falling from a circlet of lace daisies. She carried a bou-

quet of pink roses and white carnations.

Mrs. Elaine Soetaert as matron of honor wore a gown of pink flowered crepe de chene, complemented by pink ribbons in her hair and a colonial bouquet of pink roses and carnations.

Martin Soetaert was best man.

A reception and supper followed for 65 guests in Alcomdale Hall when Rodney Kyle was a capable and charming master of ceremonies.

The bride's mother chose a floor length mauve gown and the mother of the groom wore a maxi gown of green polished cotton. A toast to the bride and groom was

proposed by Martin Soetaert and the groom most capably replied. About 125 guests enjoyed the dance which followed.

Special guests included the groom's grandparents, Mrs. Mina Poggenmoller of Vernon, B.C. and Mr. and Mrs. Wm. Arlow of the district. Friends and relatives attended from Fort St. John, Quesnel, Golden and Vernon. While here from New Brunswick, Mrs. DeMerchant enjoyed a trip to Banff with the Arlows.

After a short honeymoon to Thunder Lake Park the happy couple settled in their new home in Edmonton.

## DAN HOLLANDS

the right man for  
**PEMBINA**

Dan Hollands combines business and agriculture, farm and city in his background. He operated a farm before starting a livestock feeding enterprise at Ardrossan. You can't ask for a better combination in a constituency like Pembina.

### LIFETIME RESIDENT IN PEMBINA

Born here, raised and educated here, he's always earned his living in the constituency. Obviously, Dan Hollands knows the people, the activities, and the needs of Pembina.

### DAN'S YOUR MAN IN PEMBINA

Maybe you already know Dan. A lot of people in Pembina do. He's spent a lot of time travelling the constituency in the past 10 years or more. If you don't . . . get to know him when he's in your area, because he is, obviously, the right man for Pembina.

## John Borger Pembina Liberal Candidate

John Borger, the Liberal candidate in Pembina, believes hard work and integrity can overcome the constituency's history of voting exclusively for Progressive Conservatives.

Throughout the campaign, which started for Mr. Borger, 36, months before the writs were issued for the October 30 election, he has concentrated on meeting individuals and on convincing them he can make a difference in Ottawa.

"We run into observations that Prime Minister Trudeau won't listen to the West," said Mr. Borger. "But it's difficult sometimes to convince a voter that the machinery exists for a unified Western voice that can't be ignored."

His ambition is to develop the Western Canada caucus into a machine involving the

three Prairie provinces and British Columbia.

Politics is a new venture for John Borger, but those close to him realize challenge is vital to him. He was born on a small homestead in the Peace River area, and moved to Edmonton to attend Conroy's College, a Lutheran secondary school. Later, he returned to Concordia to become director of mathematics and science.

He was a professional football player with Calgary Stampede for two years, 1956 and 1957, and has been described by Minister of State Pat Mahoney, then a director of the Western Football Club, as "the best and most dedicated little football player I've ever seen."

After his retirement, Mr. Borger returned to school at Mount Royal College in Calgary. He is on the faculty and taking courses in his spare time, he coached Mount Royal to the Western Canada final.

The candidate, who prefers to be called John, is entitled to be called doctor. He earned his doctorate in biochemistry at University of Alberta last spring. Before that, he earned his master's degree in chemistry and a bachelor of arts degree in physical education.

"I've been at school most of my life," says Mr. Borger, who has seven children. "Now, it's time for me to use my experience to help Canadians."

Mr. Borger has done more than attend school and serve as a coach and teacher. He is president of a family-owned firm that specializes in oilfield construction; he is president of a firm specializing in ecology; he is a leading member of Lutheran Church laymen's organizations in Western Canada.

Mr. Borger has used the term "aggressive representation for the West" in some of his campaign literature. He promises to make himself heard in Ottawa's governing councils.

## Dan Hollands; P.C. Pembina Candidate

Born and raised in the Clover Bar district, Dan comes of a pioneer Clover Bar family. He is a graduate of Olds School of Agriculture and among his hardest working supporters are his wife Dorothy, daughter Judy, and daughter-in-law and son Terry and Dan, Jr.

The Hollands family have been farming in Clover Bar and Ardrossan for many years, and Danny is now prominent and successful in the livestock business in the district, and is president of Judan Development Corporation.

Dan Hollands has always been involved in a wide range

of community service activities. He has served as president and in other executive positions, on several Alberta farm organizations.

He has been an active member of the Fort Saskatchewan Lions Club and is a charter member of Ardrossan Lions. He is on the Board of Directors of the Edmonton Exhibition Association. He and his family are members of Ardrossan United Church.

Dan's first and primary interest has always been politics. During the Provincial Conservative party's years in the political wilderness in rural Alberta, Dan kept alive an on-going, active relevant provincial constituency organization in Clover Bar. He served as president of the organization for many years, and was twice candidate for MLA. He was Northern vice-president of the Alberta Progressive Conservative Provincial Association, and was on the executive of the Edmonton Strathcona Federal Progressive Conservative organization.

Mr. Hollands announced this week the opening of his campaign offices in Westlock and Otterville.

## HARD REDDISH WATER PROBLEM SOLVED

It's no wonder that Mr. and Mrs. Peter Chichak and daughter, Jullana, of Bruderheim, Alberta, are smiling. Twelve years ago they installed a Marvel Water Conditioner from Big Iron Drilling Ltd.

The Chichaks, who lived with hard, reddish water before Marvel came on the scene, were amazed to see how economically their water problem could be solved. Mrs. Chichak said, "I was replacing my kettle almost every month, but since the conditioner was installed I haven't replaced it once. It's hard to believe! Without exaggeration, I know I spend less than half as much money on soaps, cleansers and shampoos as I did before. All my white things used to turn yellow and my dishes were stained and filming. I was always cleaning but it seemed as though the water itself was dirty."

A conditioner easily pays for itself in soaps alone, without considering saving in clothes, plumbing damage and convenience said Mr. Chichak. "We checked around and found that the Marvel Water Conditioner was the best equipment at the best price. Along with their excellent service, I'm happy to recommend them to anyone with a water problem."

"If anyone wants to see what a good job our 12 year old conditioner is doing, they are welcome to come and see for themselves," said Mr. Chichak.

## BON ACCORD ACTIVITIES

By Sadie Allen

A colorful patchwork quilt made by district ladies which won first prize in appliqué quilts at the Westlock Fair, is being raffled by the Ukrainian Catholic Parish in November. The quilt is beautifully made, features the Rose of Sharon pattern and was a centre of interest at the Bon Accord Arts and Crafts show in the spring. Tickets may be obtained from members of the parish or by contacting Olga Bilecki, 298-2273.

Two new appointments have been made to the staff of Cadet Squadron #524, Phil Holbrook, formerly of Calgary, has been taken on as an officer. Phil has power wings and is a qualified bush instructor. Herb Bonditch, a civilian instructor from a Saskatchewan squadron, has his power license and is a qualified glider instructor and sales representative in and sales representative in Hovercraft. The Link Trainer owned by the squadron has been taken into the aircraft maintenance class at M. E. Lazerte to be repaired and made serviceable. When this work is completed #524 squadron will use the Trainer as part of their training program. Photography, with Jim George as instructor will be offered.

On Sunday, Sept. 17, Kirk Carleton, who received his pilot's license this summer at Canadian Forces Base, Namao, took Jim George for a flight over Bon Accord to take aerial pictures of the village. An extra new feature this year is the canteen set up for the cadets. There are still a good many uniforms out. Please return, preferably on a cadet. It is not too late to join.

In these times we feel that neighborliness is a forgotten virtue. However, Mrs. Archie Leger has living proof it isn't so and wishes to thank her good neighbors, Doreen Hewitt and Evelyn Fussell for the capable assistance and comforting presence during her recent bereavement.

Sincere sympathy is extended to Tom Brown whose father passed away suddenly.

Mr. and Mrs. Bjerke for their donation of paper and the teachers who managed to bring order out of chaos and a special thank you to the Community Centre Board whose co-operation made the whole thing possible. Remember - due to the 9th of October being Thanksgiving that playschool will be held on Tuesday, October 10 at 1:30 p.m.

Many may ask, what should we be thankful for this year? This applies especially to farmers, who are the victims of the year's weather with temperature registered 52 below in January and had harvest conditions. Some have lost three crops in a row, due to hail, frost or Bertha worm damage. Others had to face tragic family happenings and all of us had to meet the challenges that life brings.

All citizens are blessed with many beautiful gifts that other people in many other lands never hope to have. We need but to think of the war ravaged countries and the many parts of the world where floods, earthquakes and other natural disasters have left countless numbers in total poverty.

## As I See It

by ROSE MARTEL

adrian should give thanks in his own way to his Creator, for the privilege of living in a country where the ravages of war are unknown, where every inhabitant is guaranteed at least a good minimum of food and shelter, plus medical aid. We admit, that there are lonesome, poor and neglected, even beaten, children in Canada. There are very poor and lonely elderly individuals also in all parts of the country. There are many disappointed, struggling young people also to be found in all parts of prosperous Canada. Then there are those who have very little to be thankful for, because illness has numbered their days of travelling in our beautiful countryside, and the four walls of a hospital or sick room have become very monotonous, to say the least.

Regardless of who we are, what we are, or how we rate

in Dunn and Brad Street directory, every resident of Canada on Thanksgiving Day should remember that there is more to the observation of Thanksgiving Day, than stuff oneself with turkey and pumpkin pie.

Thanksgiving means giving thanks to our creator, for the gift of life and the good things that He allows each one of us to enjoy, and especially the basic necessities of life so generously supplied in our peaceful country.

There is no better day on the calendar than Thanksgiving Day, to begin family prayers of Thanksgiving for the many blessings that are taken for granted by so many people in Canada today.

## Green - Savoie Wedding

On Sept. 1, 1972, at St. Michael's Roman Catholic Church in Edmonton, bright white and yellow gladioli graced the altar for the double ring ceremony of Barbara Savoie of Two Hills and Terry Green of Edmonton. Rev. Father Bedner performed the ceremony for the daughter of Mr. and Mrs. Ed Savoie of Villeneuve, and son of Mr. and Mrs. Roy Ferr of Surrey, B.C.

The bride wore a soft white floor length crocheted gown, highlighted with emerald green velvet ribbon carried at the waist. She carried a bouquet of white gladioli and yellow roses. The bride attendants, Miss Sharon Seutter, district home economist at Lacombe, wore an emerald green floor length gown, highlighted by a white waist-length, sleeveless cascade vest. She carried a cascade of yellow roses and white gladioli. Mr. Wayne Jackson of Edmonton attended the groom. Ushering the guests was Mr. Bill Storey of Edmonton. Following the ceremony

MR. & MRS. TERRY GREEN

a banquet was held at St. Albert Community Hall for some 125 relatives. The master of ceremonies was Mr. Larry Savoie of St. Albert, brother of the bride. Following the supper the bride presented both mothers with part of her bouquet. Then the couple passed out

pieces of their wedding cake to all the guests. A dance followed with a large crowd attending. Everyone enjoyed the music of the Silvertones of Edmonton.

The couple will make their home in Two Hills where Barbara is the district home economist.
